

- If you are a late arrival, you must bring your child to the area indicated in the schedule by yourself.
- The schedule will be finalised and resent to you on Sunday, as group sizes will have an impact on activities etc.

General Information

- If you cannot find the location of the camp, please contact Coach Matt (61837084), Coach Elliot (91213512) or Coach Jess (98213170)
- Please note that the camp will take place over various facilities in Victoria Park, according to suitability.
- If your child is sick on a day of the camp, please provide us with a doctor's note for credit to be awarded.

Adverse Weather

- In the event of adverse weather, you will receive an email and whatsapp message 60mins before the scheduled start time, indicating the status of the camp. In the case of the camp being cancelled for the day, the reserve day of Friday will then be used. If you are unable to attend the Friday session, you will be awarded credit to the value of one day of camp, to be used for any Minisport service (camps, parties, classes etc.)
- In the case of adverse weather interrupting a session, you will be awarded 1hr worth of credit to be used for any Minisport service (camps, parties, classes etc.)
- In the case of the surface becoming unplayable less than 60mins before the scheduled start time, you will be informed via email ASAP, and credit awarded for the day.

Checklist for Children

- Children should be given plenty of food and water- they will need more than usual due to the levels of exercise.
- Children should wear a hat and apply plenty of sun block before the commencement of the camp.
- It is a good idea to ensure your child is properly hydrated before the camp begins- this will allow the coaches to take less water breaks and play more sport with your children.
Minisport tip: Try to challenge your child to drink "at least 10 sips of water before we get there!" This will usually result in your child attempt to complete the challenge, rather than viewing drinking water as a chore.
- Have Fun!

Checklist for Parents

- Please ensure that your child has been enrolled and you have made the payment in full. Your name will be removed from the register unless both steps of the process have been fully completed.
- Please ensure that all children have adult supervision throughout the camp. Victoria Park is a public venue and our coaches will not take time away from the group to accompany your child to the toilet- a parent or guardian is therefore required to assist them. Supervision is also required if your child needs to change facilities i.e. to move from the tennis court to the grass area.

If you have any further questions, please contact us at info@minisport.hk
