

## Minisport Christmas Camp- Victoria Park (General Information & FAQs)

*This document has been created to provide parents and guardians with exact details of their child(ren)'s activities throughout the 4 days of Minisport Camp at Victoria Park. If you have any further questions, please contact us at [info@minisport.hk](mailto:info@minisport.hk)*

### Schedule & Programme

- Groups for the Camp will be allocated by age. We appreciate that some children may want to be grouped with their friend or relative, however, this can negatively impact everyone else in the group if one child is much younger than the others. We will attempt to allow students to be grouped with their friends, but please help us by explaining to your children that this is an opportunity to meet new friends!
- Each group will be awarded a colour. It is important that your child remembers what colour they are, as this will help with smooth transitions between facilities and ensure that everyone is in the correct place!
- The below image is a map of Victoria Park, we will be meeting at the Lawn (indicated by white star) on the first day, where the children will be split into groups, meet their coaches and then begin their activities. If possible, please try to be there **15 minutes before** the scheduled start time to allow groups to be divided with ample time.

### **BEACH DAY INFORMATION \*NEW\***

For the first time at Victoria Park, we will be taking the kids to Repulse Bay Beach on Day 3 of our camps (weather permitting). In case of adverse weather, we will rearrange the trip for day 4. The trip will see the kids sample our range of beach games including treasure hunts, water balloon throwing, sandcastle building etc. We will arrange transportation to and from Victoria Park. Please meet us at the Victoria Park carpark at 9am on the Beach Day and collect your child from the same place at 11:30am!

- If you are a late arrival, you must bring your child to the area indicated in the schedule by yourself.
- The schedule will be finalised and resent to you on Sunday, as group sizes will have an impact on activities etc.

### **General Information**

- If you cannot find the location of the camp, please contact Coach Matt (61837084), Coach Elliot (69000531) or Coach Hunter (96199845)
- Please note that the camp will take place over various facilities in Victoria Park, according to suitability.
- If your child is sick on a day of the camp, please provide us with a doctor's note for credit to be awarded.

### **Adverse Weather**

- In the event of adverse weather, you will receive an email or whatsapp message 60mins before the scheduled start time, indicating the status of the camp. In the case of the camp being cancelled for the day, the reserve day will then be used. If you are unable to attend the reserve session, you will be awarded credit to the value of one day of camp, to be used for any future Minisport camps
- Please see our full Rain Policy document for more information. This will be sent to you via the Whatsapp groups.

### **Checklist for Children**

- Children should be given plenty of food and water- they will need more than usual due to the levels of exercise.
- Children should wear a hat and apply plenty of sun block before the commencement of the camp.
- It is a good idea to ensure your child is properly hydrated before the camp begins- this will allow the coaches to take less water breaks and play more sport with your children.  
*Minisport tip: Try to challenge your child to drink "at least 10 sips of water before we get there!" This will usually result in your child attempt to complete the challenge, rather than viewing drinking water as a chore.*
- Have Fun!

### **Checklist for Parents**

- Please ensure that your child has been enrolled and you have made the payment in full. Your name will be removed from the register unless both steps of the process have been fully completed.
- Please ensure that all children have adult supervision throughout the camp. Victoria Park is a public venue and our coaches will not take time away from the group to accompany your child to the toilet- a parent or guardian is therefore required to assist them. Supervision is also required if your child needs to change facilities i.e. to move from the tennis court to the grass area.

*If you have any further questions, please contact us at [info@minisport.hk](mailto:info@minisport.hk)*
