

Minisport Summer Term

July 3- August 24

1.5-7yrs

What's New This Term?

-As our summer camps will be in full swing, we thought we would offer some weekly classes for parents who can't commit to a full week of camp.

-We are partnering with Amazing Learners to open a new indoor venue in Sai Ying Pun. If your child is sensitive to the heat then this will be the perfect venue for you during the hot summer!

I. Ages & Stages

Playgroup (1.5-2.5yrs)

Assisted by a guardian, children are encouraged to explore new ranges of bodily movement such as **running, turning, crawling, stepping & jumping**. It is not simply gross motor skills that we encourage through this program, however. Children are also exposed to a range of games that build basic ball skills including **handling, throwing, dribbling, kicking and striking**.

Classes also involve **animals, numbers & colours** to ignite the imagination & aid their budding range of vocabulary. Every lesson is a chance to create lively, memorable experiences for children & build an eagerness for activity at this important age. Classes are all conducted in english*

Mini-Tots (2.5-3.5yrs)

With the ability to walk & run, children at this age are keen to further experiment with the range of activities that their bodies can cope with. We employ a range of games that possess more complex rules & demands to delve into dynamic gross motor movements such as **balancing, running & evasion**.

Ball games start to include some more specific challenges with regards to accuracy & we introduce reception skills such as **blocking, tracking, catching** at this age.

Elements of techniques related to sports (i.e. kicking>football, striking>tennis, throwing> basketball) are taught here but the rules & format of games are by no means consistent with the sports themselves. Classes are all conducted in english*

Level 1 (3.5-5yrs)

It is at this level where children, having formed sound ball skills through Mini-Tots, are able to be taught specific sports. The sports that we cover are football, tennis, basketball & athletics.

One of the benefits to this approach is that we are able to deliver a high number of games & drills per session to keep the pace fast & the activities varied.

Whilst co-operative tasks (i.e partners & teams) are more common here, the emphasis remains on fun & participation. We rarely use games where winners & losers are highlighted. Classes are all conducted in english*

Level 2 (5-7yrs)

In this Level 2 football course, held solely at Victoria Park, we will provide thorough training across the main components of football- passing, dribbling, shooting & positioning. Children will spend much of these sessions developing individual technique, before embarking on a range of co-operative drills to improve positional awareness. Classes are all conducted in english*

12. FAQs

My child has not ever been in a sports class, would the program be suitable for him/her?

Yes, we specialise in early years sport coaching and our courses assume no previous experience in sport. We start sessions with 100% completion rate activities so that children feel comfortable and confident, before introducing more stimulating and challenging activities.

I cannot commit to all of the classes in the cycle, can I just pay for the ones that I attend?

-Our form allows you to omit a maximum of two classes per cycle. You will not be charged for these two classes. Please note that these dates must be pre-determined and that this function is for dates which our students know they already have commitments, such as travel, on-off events etc. These dates are not changeable once they have been set.

Can we do a trial class?

We do offer trial classes. These are paid for sessions for new students to Minisport, to allow them to text out our program before committing to a cycle of classes. Please note that these trials are only available on a first-come, first served basis and if you wait to do your trial rather than enrolling, then you may miss out on a space at that class. Class credit may not be used for a trial*

What happens if minimum numbers for classes are not met?

In this case, we will offer you a range of alternative classes, should they not fit your schedule then you will be refunded. Each class will be given 2 weeks to reach minimum numbers, in which period you will be updated on the class status systematically.

What happens if minimum numbers are not met and this delays the start date of classes?

On occasion in the past, we have held off starting classes for a week or two in order to generate more interest and reach the minimum required number for sessions. In this case, we hold your fees until the end of term and offer you a refund OR you can deduct the fees from missed sessions from enrolment to the next term.

What happens if I miss a session due to illness?

Upon presentation of a doctor's note, you will be given a lessons worth of credit for the missed class that can be redeemed upon enrolment to future class enrolments.

What happens if I miss a session due to weather?

Should a session be cancelled due to weather then you will be informed, via the class WhatsApp group, at least 45 mins ahead of the session. In this case, you will be able to make up for this missed class by completing the class makeup form on our website. The makeups must take place within the same term.

Should the session be abandoned midway through, then our coaches will supervise the children until the stated session end time.

How Does Credit Work?

Credit, will be awarded for missed classes (with a doctors note), or in the event that we have to cancel a class. Credits are separated into 2 categories, camp credit and class credit. Class credit can only be used for classes and camp credit for camps. Credit IS transferable, meaning you can pass your credit on to someone else if you so choose*

Should you have any further questions then do not hesitate to contact us and a member of our team will be glad to assist you.

****IN CASE OF RAIN- please refer below****

At the close of each session, guardians will be required to pick the students up from the venue. In the event of a Typhoon 3 signal or Red/Black rainstorm warning (unless lowered 2 hours before the session is scheduled to commence), other bad weather situations or an increasing number of influenza cases, the session/s will be cancelled and the lesson fee will be added as credit, to be used within the term at another session. No credit will be given for a student who misses a session for any other reason.

Should a session be cancelled due to weather then you will be informed, via the class WhatsApp group, at least 45 mins ahead of the session. In this case, you will be able to make up for this missed class by completing the class makeup form on our website. The makeups must take place within the same term.

Should the session be abandoned midway through, then our coaches will supervise the children until the stated session end time and no credit or refund will be awarded.

Guardians will be contacted via Whatsapp text message at least 45 minutes prior to session commencement if cancellation is to be made. In this scenario, clients will be awarded the session as credit which must be redeemed before the end of the term. Make-up classes must be selected via our website, where a case make up form is available. In the case of rain forcing outdoor classes to be abandoned whilst in session, no credit or refunds will be allocated.

Children and guardians shall obey the rules and regulations governing the venue facilities. Minisport may use photos or videos taken during sports classes for use in promotional materials and on our website. These photos or videos will not be passed onto third parties. If you do not wish us to use photos or videos that include your children, please contact us at info@minisport.hk. Minisport is not liable for any injury or accidents that take place during sessions. His/her participation is purely voluntary and in no way mandated by Minisport or the programme partners. Also, you understand that he/she can stop anytime if he/she has any discomfort or even without any particular reason.
